MEMORANDUM

TO: North Carolina School Administrators, Nurses and Staff

FROM: Anne Odusanya, Assistant Director
Whole Child Health Section *AO*
Division of Child & Family Well-Being

Jenny Myers, Branch Director
Immunization Branch *JG/m*
Division of Public Health

SUBJECT: Annual Health Assessment and Compliance Reporting for Public and Charter Schools

All North Carolina public and public charter schools are required annually to report on the status of Health Assessments for students who are enrolling for the first time in a North Carolina public or public charter school ([§ 130A-441\(c\)](#)), and the immunization status of all students in kindergarten, seventh, and twelfth grade ([G.S. 130A-155\(c\)](#)).

How to Submit your Report

- Reports must be completed online, using school name and ID number [via this link](#).
- Students must be compliant with all requirements within 30 calendar days from the first day of school attendance.
- Compliance reports are due no later than **November 1, 2026**. The report is open and submissions may be completed at any time before the deadline.
- Instructions and work sheets are available via the above link and may be used to collect the data needed before entering your individual school information online.
- Questions regarding Health Assessments and the reporting process may be directed to your [Regional School Health Nurse Consultant](#).
- Immunization Report questions can be emailed to immunization.reports@dhhs.nc.gov.
