Division of Public Health  
Office of the Chief Public Health Nurse

# LTAT Command Center and Public Health Nursing Preparedness and Response for Public Health Nurses

Jenifer Simone, MSN, RN, CPHN, NCSN

Lead Nurse Public Health Preparedness and Response

June 2025

# Learning outcomes

- ▶ Public health nurses will gain enhanced knowledge to:
  - ▶ Describe disaster response roles for public health nurses working in general population shelters
  - ▶ Describe shelter types and shelter health models
  - ▶ Describe support provided by the Local Technical Assistance and Training Branch Command Center (LTATCC) in partnership with NC Public Health Preparedness and Response (PHP&R)
  - ▶ Describe associated job tools, related training and available resources.

# Agenda

- ▶ Common terms used in Public Health Preparedness and Response
- ▶ Public health nurse roles when working in general population shelters
- ▶ Shelter types and shelter health models
- ▶ Division level support and the Local Technical Assistance and Training Branch Command Center (LTATCC)
- ▶ Resources for training and professional development

# PHPR Terms and Definitions

- **EMAC Nurse** - Emergency Management Assistance Compact Nurse. EMAC Nurses can be out-of-state nurses or in-state PHNs deploying to work in disaster shelters
- **Emergency Operations Center**- A protected site from which government officials and emergency response personnel exercise direction and control in an emergency.
- **Event** - Planned event with potential risk to the public's health. Ex. US Open and heat-related illness, political party national convention during a pandemic
- **Incident** - Unplanned event with risk for public health or mass fatality impact. Ex. Pandemic, flooding, hurricane, tornado, nuclear meltdown.
- **Incident Management Team(s) (IMT)** - State teams made up of people with special qualifications and deployed to counties or localities to assist with response to emergencies/disasters.
- **LTATCC** - Local Technical Assistance and Training (Branch) Command Center
- **PHCC** - Public Health Command Center
- **PHNC** - Public Health Nurse Consultant - DPH and DCFW Nurse Consultants
- **PHP&R** - Public Health Preparedness and Response Branch (DPH)
- **Shelter Manager** - An individual who provides for internal organization, administration, and operation of a shelter facility.

# Public Health Nursing Eight Roles and Functions
